Dear Brother Leo Smith,

Our church is very moved and appreciative of all the work and resources that you and the Hispanic Texas Baptist Men have designated to help rebuild our church sanctuary. You are an example of the love of Christ and inspire us to continue in our ministry, leaving behind the ruins of Ike, and looking forward to what the Lord is going to do with His Church at First Baptist Mexican Church.

Your ministry has reminded us of realizing just how undeserving and abundant is God's grace, mercy, and compassion is towards us. We would like you to continue to pray for us in being faithful as a bold witness of the gift of salvation in Christ in our Jerusalem and to the world. It is moving to know that God sends us people not only from Galveston, but other parts of the world to serve and minister to. Our prayer is that our church sanctuary be a haven for forgiveness, redemption, and healing for the people of Galveston.

Once again, we would like to say thank you for your concern, generosity, and physical ministry towards us. May the Lord honor your work and richly bless you for your kingdom work, "this service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God" (2 Cor 9:12). And as God has used you to bless us, may God continue to supply your every need, "and my God will meet all your needs according to his glorious riches in Christ Jesus" (Phil 4:19).
